FLORIDA STATE HEALTH IMPROVEMENT PLAN
PARTNER PRIORITIES MEETING

JW Marriott Grande Lakes
Orlando, FL
July 28, 2021
WELCOME

Dr. Scott A. Rivkees
State Surgeon General
Florida Department of Health
2022 – 2026 STATE HEALTH IMPROVEMENT PLAN OVERVIEW

Julia S. Gibby, MPH
Chief, Bureau of Community Health Assessment
Division of Public Health Statistics and Performance Management
Florida Department of Health
A roadmap that guides collaborative implementation of activities to drive health improvement.

A vehicle to align, highlight and advance interagency and cross-sector priorities and successes.

An instrument to increase efficiency, effectiveness and performance of Florida’s public health system.
1. Identify and Engage Community Partners
2. Collect and Analyze Health Status Data
3. Collect and Analyze Community Partner Input Data
4. Summarize, Present and Communicate Findings

Putting the Data to Action

Jeanette M. Nuñez, MPA
Lieutenant Governor
State of Florida
What is a priority for your agency and the population you serve?

What activities are you engaging in to address the identified priority for your agency and the population you serve?

Who are the partners that are supporting you with these activities or engaging in other activities to address the identified priority for your agency?

How can members of this committee assist you with the identified priority?
PUBLIC COMMENT
