Tallahassee, FL
September 30, 2021
Opening Remarks

Simone Marstiller, JD
Secretary
Agency for Health Care Administration
Steering Committee Introductions
2021 State Health Assessment
Findings and Recommended Priority Health Issues

Melissa Murray Jordan, MS, MPH
Director, Division of Community Health Promotion
Florida Department of Health
America’s Health Rankings Model and Roadmap
2022-2026 Environmental Scan

• 2017-2021 State Health Improvement Plan Priority Health Issues

• 2021 Health Status Data Book

• Perception Surveys:
  • Resident, Provider and Stakeholder

• 2021 State Health Assessment (SHA) Advisory Group Priority Recommendations
Perception Survey Conclusions

Providers, residents and stakeholders agree that:

• Access to affordable care and nutritious foods are top contributors to health in Florida
• Drug abuse/misuse is a top issue that negatively impacts Florida residents
• Mental/behavioral health services and dental care are the top most difficult services to obtain among Florida residents
State Health Assessment Advisory Group

• Appointed by the State Health Improvement Plan Steering Committee

• Comprised of 42 members

• Tasked with overseeing and participating in the development of the State Health Assessment and recommending potential priority health issues to the State Health Improvement Plan Steering Committee
Existing 2017-2021 Priority Health Issues

2022-2026 State Health Improvement Plan Next Steps

Ursula Keller Weiss, PhD
Director
Division of Public Health Statistics and Performance Management
Florida Department of Health
1. Setting Health Priorities
2. Priority Area Workgroups develop goals
3. Present proposed goals to Steering Committee for approval
4. Launch 2022-2026 State Health Improvement Plan
Priority Area Workgroups

• Priority Area Workgroup (PAW) members identify, monitor and report on goals and objectives for the priority areas selected by the Steering Committee

• The PAWs serve as the operational component for engaging cross-sector collaborators in efforts to address the priorities, goals and objectives

• PAW members serve throughout the duration of the State Health Improvement Plan
Priority Area Workgroups

Member roles and responsibilities include:

• Developing goals and objectives for each priority
• Creating implementation plans to drive action
• Monitoring and providing quarterly progress updates on activities
• Submitting an annual progress report with suggested revisions for review and approval by the Steering Committee
• Serving as champions for the State Health Improvement Plan by increasing awareness and engagement throughout their networks
2021 Steering Committee Timeline

September 30, 2021: 2022-2026 State Health Improvement Plan Priority Selection Meeting

October 2021: 2022-2026 State Health Improvement Plan Priority Finalization Meeting

November 2021: Priority Area Workgroups will develop proposed Goals

December 2021: 2022-2026 State Health Improvement Plan Goal Review

January 2022: Launch of the 2022-2026 State Health Improvement Plan
Public Comment
Closing Remarks

Simone Marstiller, JD
Secretary
Agency for Health Care Administration
Thank you!
